Dear Sir/Madam,

**STANDING INSTRUCTION FOR FOREIGN MARKETS FOR CLIENTS
TRADING ONLINE**

I/We hereby instruct DBS Vickers Securities to convert all foreign markets contracts settled in foreign currencies (i.e. USD, CAD, HKD, GBP or such other currencies as may be accepted by DBS Vickers Securities from time to time) into Singapore Dollars and to deduct the converted amount from my/our DBS GIRO Bank Account at such time as DBS Vickers Securities deems appropriate.

I/We understand that I/we have to ensure sufficient funds in my/our DBS GIRO Bank account on and from the applicable Settlement Date. If the GIRO deduction is unsuccessful for any reason, I/we agree to bear any loss or costs incurred by DBS Vickers Securities due to exchange conversion, exchange rate losses, force-selling and/or in connection with this instruction.

I/We further understand that if I/we did not make any further arrangement with DBS Vickers Securities in time in the event that the GIRO arrangement failed, DBS Vickers Securities is entitled to force sell my/our buy position on Settlement Date + 3 market days or such time as DBS Vickers Securities sees necessary in accordance with applicable laws, regulations or exchange rules.

I/we further understand that if I/we terminate my/our DBS GIRO linkage to DBS Vickers Securities, I/we would need to make separate arrangements to pay in foreign currency or to sell fully paid-for shares of the same market or to sell the overdue outstanding stocks of the same market.

This standing instruction will remain in force and effect until I/we revoke it by using the applicable revoke form provided by DBS Vickers Securities.
